

We are pleased to announce that our Margate Community Policing Forum is now running with two SAPS Reservist as well as with GM/Criss Cross Security, with a dedicated vehicle 24/7 for Margate CBD and surrounding areas. We have received positive feedback from business regarding visible patrols day and night. Our Reservist have been tasked to focus on bylaw enforcement and petty crime, which as we all know, sometimes lead to serious incidents of crime and, to do regular patrols.

Our Reservist team have also been tasked to make introductory visits with Businesses as well as regular visits thereafter. Please assist us by completing the requested logs by making an entry, with by means of your business stamp and/or name into their Notebook, as well as the visiting register handed to you by Corrie. The team, which is managed by Insp. Gavin Palmer of SAPS, is backed up by SAPS, Protection Services and GM/Criss Cross Security.

We feel strongly that with the help of SAPS, GM/Criss Cross Security, our Reservist, the Crime Prevention officers and our Community we will be able to get crime figures down and establish a safer environment. **PLEASE ASSIST US BY REPORTING ANY SUSPICIOUS INDIVIDUALS, LOITERING, OR UNUSUAL ACTIVITIES IMMEDIATELY TO OUR 24 HOUR EMERGENCY NUMBER : 072 893 7767.** “Please also note, that if our CPF vehicle is on a current call out, your call can only be attended to after that call as is the same with SAPS and Protection Services”

In an effort to continue to enhance security through this initiative, we are urging every Body Corporate, individual residing in the Margate CBD area, business owners and landlords to donate whatever they can afford on a monthly basis to ensure we grow this initiative.

We would like to thank the following businesses and landlords for their continuous monthly contributions made during July 2012 and June 2013 : -
